## Conference Goals

---

The EuroMed Academy of Business annual conference is one of the major Business Management conferences of its kind in terms of size, quality of content, and standing reputation of attendees. Many of the papers presented contribute significantly to the business knowledge base.

Our goal is to create a friendly and approachable academy and environment, a strong network, whereby its members (including senior worldwide scholars, young faculty members, doctorate students, researchers, and business practitioners) are guiding and mentoring each other. Further, participants attend the conference's Research Project Workshop to meet, improve research, collaborate with others, and apply for EU project funding. Some of the conference distinctions are:

- a) Publication opportunities in highly ranked and indexed journals in Web of Science and Scopus
- b) ISBN Conference Book of Proceedings including an ISSN for the book series. Book of Proceeding has always been approved for inclusion in the Conference Proceedings Citation Index of Clarivate Analytics
- c) Book series with 1. Routledge, Taylor and Francis Group; 2. Palgrave Macmillan, Springer International Publishing; and 3. Emerald Publishing
- d) Authors' Networking and Collaboration Workshop
- e) Research Project and Publication Workshops
- f) Meet the Editors and Meet the Reviewers Sessions
- g) Special Conference Activities and Awards
- h) Special Issue Paper Development Workshops
